

Alumnos de nuevo ingreso 2021/2

Derivado de las inquietudes que han manifestado respecto a no conocer su pre-boleta (les pido revisen la hoja que les dio la DAE, dentro del mismo documento viene una referencia que comienza con PP o PE, esa es la pre-boleta).

El siguiente listado corresponde al número de boleta de cada uno de los alumnos de nuevo ingreso para el mes de febrero del 2021 y que es asignada por la DAE una vez que ha validado los documentos que ustedes entregaron, si no tienen número de boleta no quiere decir que tengan problemas, quiere decir que DAE sigue validando sus documentos para poder asignarles un número.

Entonces el día 17 de febrero que entren al saes a conocer su grupo y su turno deberán usar el número de boleta los alumnos que tengan asignado uno, de lo contrario entrarán con la pre-boleta y como clave las cuatro primeras letras de su apellido paterno en mayúsculas, tal como se les indico en el aviso publicado anteriormente.
